

DESIGN STRENGTHS

I am passionate about design and especially the user-centered design process. My experience as an Industrial Designer taught me how to recognize interactions that can be improved, and design improved interactions within technical constraints. I also learned to work iteratively using user feedback to improve a product. My experience designing software has taught me to think systematically and to test and measure the success of new designs.

DESIGN SKILLS

Process Skills

Hand Sketching
User Flow Charts
Wireframing
Presentation Skills
Persona Development
Storyboarding
User Research
Usability Testing

CONFIDENT

COMFORTABLE

FAMILIAR

Technical Skills

Adobe CC
Microsoft Office
Jutimind Prototyper
Sketch
InvisionApp
Origami
HTML & CSS
Balsamiq

RECOGNITIONS

2015 Engineering and Product Design Conference.
My paper, "The Sharing Economy and Design," was accepted, and I plan to present it in September 2015.
Loughborough, England.

2013-2015 Industrial Design Scholarship
In both my Junior and Senior years, the professors awarded me a scholarship for exceptional work.
Provo, Utah.

LANGUAGE SKILLS

EDUCATION

- From September 2009 to April 2015
BFA in Industrial Design.
Brigham Young University - Provo, Utah.
- From January 2015 to April 2015
UX Design Apprenticeship on development of learning simulation software.
Professor Derek Hansen, Brigham Young University - Provo.
- From September 2014 to April 2015
Design Research Assistant on "Fragrance and Color" study.
Professor Bryan Howell, Brigham Young University - Provo, Utah.
- From August 2013 to September 2013
International Study Abroad.
Milan, Italy; Paris, France; London, England.
- From June 2010 to June 2012
Service Mission.
Kyiv, Ukraine.

WORK EXPERIENCE

3

Part-Time Design Positions
Graphic Design, UI/UX, and Design Research
Brigham Young University

2

Full-Time Internships
Industrial Design
Whirlpool, Fahrenheit Design

ID INTERN - FAHRENHEIT DESIGN

June 2014 - September 2014

Worked closely with the Dell Enterprise designers, other smaller clients, and internal projects.
Austin, Texas.

ID INTERN - WHIRLPOOL ADVANCED DESIGN STUDIO

January 2014 - June 2014

Involved in all parts of design process as the only intern on the advanced design team.
Chicago, Illinois.

GRAPHIC DESIGNER - BYU ATHLETIC DEPARTMENT

June 2013 - January 2013

Created marketing material for print, web, social media, and branding installations.
Provo, Utah.

UI/UX DESIGNER - CENTER FOR TEACHING AND LEARNING

June 2012 - April 2013

Designed new features and UI elements for the "Learning Suite" academic software.
Provo, Utah.
